## Coastal Trail

### IW COASTAL TRAIL

A series of unique geography resources which can be used on a mix-and-match basis across 12 iconic Island locations - ideal for teaching or self-led learning of key curriculum topics from KS2 to KS5.

Use them as a set to develop a focused field trip, or add to nearby attractions to include some useful learning or reinforcement into your itinerary.

All but one location are FREE to visit.

## Arts Trail

### IW ARTS & LITERARY TRAIL

A series of 8 resources, ideas and topics designed for learners to engage with the rich arts, literary and historical heritage of the southern part of the Isle of Wight.

The resources act as prompts for ideas that students and teachers can explore either before, during or after their visit to the Island. It is teacher input that will make these crossover activities meaningful. Ideal for KS2 Upper.

## Church Trail

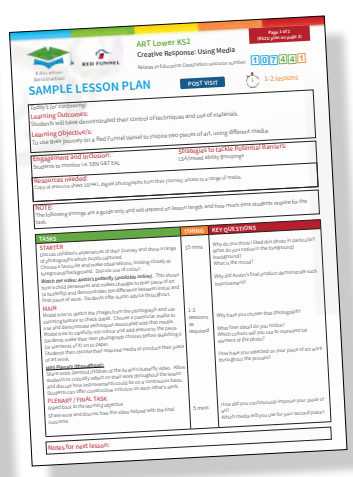

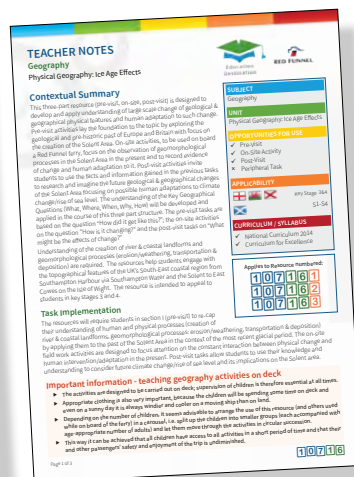

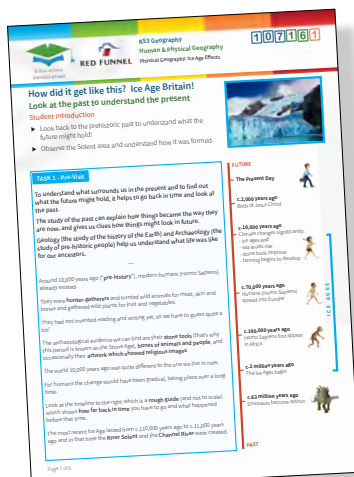

### IW CHURCH TRAIL

A series of 24 resources - 12 written for KS2 students and 12 for lifelong learners - exploring 1000 years of Christian history on the Isle of Wight in just 40 miles.

Each set features some of the Island's best loved and most ancient churches for you to visit. Perfect infill activities when visiting nearby attractions to include some useful learning or reinforcement into your itinerary.

Choose from over 750 engaging, curriculum-relevant teaching resources developed by local qualified teachers with expert knowledge of Isle of Wight visitor attractions.

With a mixture of pre-visit, on-site and post-visit elements to integrate with your planned schemes of work and topics, each resource is paired with a detailed Teacher Note, Parent Note and in the case of classroom taught elements, sample Lesson Plans.

Resources are FREE of charge when booking your Isle of Wight residential with Education Destination!

**Education  
Destination**

## **ABOUT US**

Education Destination is an Isle of Wight based business specialising in providing **bespoke, curriculum-focused school trips** to our lovely island.

We can provide a **full door-to-door service**, taking care of all of your requirements, or simply support you in making your own arrangements - organising **accommodation, transport, venue tickets** or curriculum support materials as you require.

We can ensure that your visit is **directly relevant to the key stage** of your student group and the curriculum subject(s), unit(s) and topic(s) that you are planning to teach.

Your whole trip is made **enjoyable and stress-free** because we help you design your perfect itinerary and provide all of the supporting materials you are likely to need.

We offer the **UK's most comprehensive collection** of unit-specific teaching resources along with unprecedented levels of support for trip organisers **FREE OF CHARGE** to our clients.

We've made it **easy** for you to create **outstanding** educationally relevant day trips and residential visits. Our comprehensive **Safety Management System** helps with the approvals process by ensuring that the service providers, attractions and venues in your itinerary are **regularly vetted** by a **qualified third party inspector**.

We work on a commission basis with all of our partners so that booking via Education Destination usually **costs no more** than booking direct. In fact, it can often be **cheaper**, AND you will benefit from unprecedented levels of support.
