Working With Others: Teamwork (Spot the Donkey!)

Education
Destination

Contextual Summary

This is an engaging resource that challenges students to identify donkeys around the Isle of Wight Donkey Sanctuary in pairs or groups, using their physical characteristics (and maybe their collars!).

Worksheets could be completed independently if required by the teacher.

This fun task is designed to appeal to students of all ages.

Task Implementation

This resource is designed to be used by students as a challenge in pairs or groups. Minimal teacher supervision is required.

The 'spot the donkey' challenge is designed to be a fun activity allowing students to explore the Sanctuary, working together, using their observation skills.

Ability Levels

There are three variants of this resource, one each for mixed ability students in key stages 2L, 2U and 3.

The key stage 3 resource is slightly harder as the pictures are zoomed in on some donkeys' key features.

Teachers can support students in their undertaking of the challenge as necessary for ability.

Key skills practised in this unit:

- ▶ Working together
- ▶ Observation skills
- ▶ Concentration
- ▶ Commitment to the task.

Relationship to Curriculum

The above skills are required to be taught and practised as per the National Curriculum, and the guidance of the PSHE Association, for key stage 3 and key stage 2.
