

Working With Others Teamwork ACCESSIBLE VERSION suitable for wheelchairs

10514

Robin Hill Teamwork Challenge!

INSTRUCTION SHEET

- You will use GPS to find the special signs around the park
- ► The approximate co-ordinates for the demo sign are 50.688, -1.243
- Practise finding the demo sign until you are sure you can work the GPS
- Your teacher will tell you which subject activity you are doing today and most importantly, where the finish point is!
- ▶ This version is suitable for wheelchair users but be aware that there are some steep hills in the park so you may need assistance

Let's practise some maths questions.

Wherever you see a black and white box like the one below, copy the relevant answer from the previous page.

EXAMPLE: if the number on **sign 3** was 50, write **50** in the box and use it to finish the sum, like this:

OK - Here are your questions!

MATHS Activity - Extension

Now let's use your 9 answers from the previous page to crack the special code!

Each answer can be turned into a letter using the following cipher.

First translate each of your 9 answers into letters, then rearrange them to make two words!

>	Answer	Letter	Answer	Letter	Answer	Letter	Answer	Letter
	47	→ A <	92	→ н С	800	→ 0	55	U
	5	→ B	200	→ I	201	→ P	2	→ ∨
	111	C	6	→ J	91	→ 0	1000	→ W

GEOGRAPHY Activity

Only fill in this section if your teacher has told you to do GEOGRAPHY

Visit the 6 signs located at the co-ordinates listed below. You can do them in any order. Why not take turns in your group to choose the next number? On each sign you will find three pieces of information shown next to

These are:

- 1. A distance in metres (example: 30 metres)
- 2. A compass direction (example: NW (North West))
- 3. A compass reading, in degrees (example: 305 degrees) you should ignore this

With your back to the sign, use this information to spot a feature or landmark within Robin Hill using your compass. This might be a ride, a building, or a sculpture for example.

DRAMA Activity

Only use this section if your teacher has told you to do DRAMA

Visit the 4 signs located at the co-ordinates listed below. You can do them in any order. Why not take turns in your group to choose the next number?

On each sign you will find a theme shown next to this symbol.

Your challenge is to video record 60 second sketches using the themes shown.

Take a few minutes to plan each sketch and try to use different actors. You should also try to make the most of any park features you are near at the time.

After your visit you will be able to edit your footage and hold a competition with the rest of your class or group
