1. Now that you have been to Blackgang Chine, you are going to find out how it is formed.
2. You will then be given lots of images of chines, in the form of photographs.
3. Your task is to use one photograph to produce your own piece of art work.

### Things to think about...

- ✓ How will you make the colours as real as possible?
- ✓ Will you use different media to produce your piece of artwork, such as paint, textiles and pencils?
- ✓ Can you use correct vocabulary to describe some of the images in your piece of art?
- ✓ Once you have finished, the class will decide which pieces of art can be matched to the photographs.
- ✓ Good luck!
