1. Can you tick or highlight what you can still see at Southampton, and identify what has changed? Annotate the map to show new building or other changes. *Use the space on page 2.*
2. What are the key changes, and why do you think they happened? *Discuss and make some notes around the map on page 2.*
3. What impression do you get of Southampton Water in 1939? *(Do you think that it is trying to make Southampton look like New York? Look at the emphasis on tall buildings, for example.)*

4. Do you think your impression is the same today? Do you think it was a true representation back then?

5. What do you like most about this map?

TASK: Tick, highlight, label or annotate the map with what is still there, and identify what has changed?

Make notes on how and why this area may have changed over time.
