

Ventnor - A Desired Destination!

Ventnor has been a popular tourist destination for many years. The town of Ventnor has grown since the mid-19th century, when the warm climate and fresh sea air was considered beneficial to health and several sanatoriums were established, taking patients from all over the country. By the middle of the 20th century, Ventnor was thriving as a seaside resort, and is still popular today with holiday-makers.

ACTIVITY

At school, you should have looked at some travel guides and types of travel writing. Hopefully, you will also have understood how to write a travel guide.
