

ArtisTree at The Model Village Godshill... Calling Model Artists!

STUDENT INTRODUCTION

- ▶ Are you a budding photographer?
- ▶ Can you capture the finer detail?
- ▶ This task requires you to combine your photography skills and your artistic skills so get your cameras and pencils at the ready!

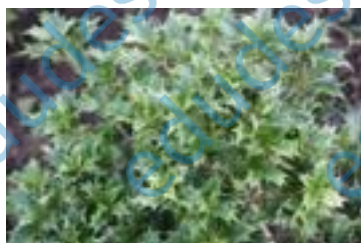

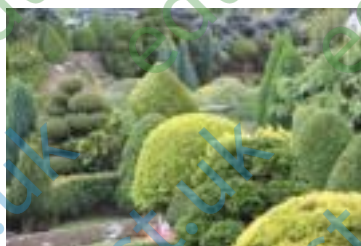

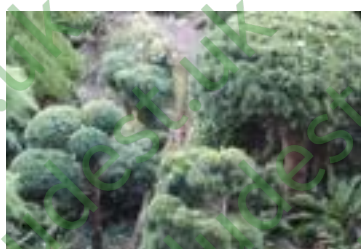

STEP 1 - ON-SITE

Teaching resources by Education Destination Ltd.

1. You will receive a pack of curriculum relevant materials supporting school trips to the Isle of Wight Book today with Education Destination and get full access to this and hundreds more quality resources

2. You can take photographs or make sketches www.edudest.uk

3. You will also need to look carefully at the different types of trees. Try to zoom in on the leaf structures so that you can examine them closely after your visit.

STEP TWO - BACK AT SCHOOL

- » When you get back to school, you are going to look carefully at the photographs of the different trees and leaves.
- » You will produce pencil sketches of a variety of leaves (using different techniques), showing the range of textures which you have captured.
- » Once this is complete, you will look through the photographs which you have taken.
- » You will draw your favourite image before using paint or pencil crayons to add
