

Animal Farm Park Design Challenge!

Show off your imaginative design skills by designing the perfect park!

Student Introduction

- **Imagine ...** Animal Enterprises has just bought some land in your area and they want to set up an Animal Farm Park.
- They have asked you to come up with ideas for a design and they will choose the best one.

- ✓ In this project you will be learning the skills needed to work with others.

- ✓ Everyone in your team needs to be **listened to**, **respected** and **included**

What is going to be special about your farm park?

What facilities will your customers need?

Car Park
Entrance
Toilets

PLAN!

1. Now to draw the plan. Draft a plan first (use the space on page 2 or template on page 3).
 - ✓ Firstly, set out where your enclosures will be. What shape will they be?
 - ✓ Then draw in any buildings and label them.
 - ✓ What other areas do you need to put on your plan?
 - ✓ Now think about the pathways that lead to all the places. Think about how visitors can walk around the park.
2. Make any changes now while it is in draft.
3. When you are happy you will need to help draw up the final plan on a large sheet of paper. It needs to be clear and colourful.
4. Don't forget to choose a name for your farm park!

**Someone should point to places on the
plan.**

All team members should help.

Practise your presentation and time it.

Name of the speaker	Comments
Was it loud and clear enough?	
Did the speaker face the front?	
Did all team members have a part?	
Did they tell you the name of the park and the date?	
How do you think the presentation was?
